Access Policy: We have provision for ground floor dental services and access for wheelchair users.

We cannot accommodate mobility scooters within the building and our ground floor w/c is not wheelchair accessible.

Car Parking: our patient car park is accessed through the lane adjoining Plasturton Place and Talbot Street. As you enter the parking area please park on the right at an angle to the stone wall.

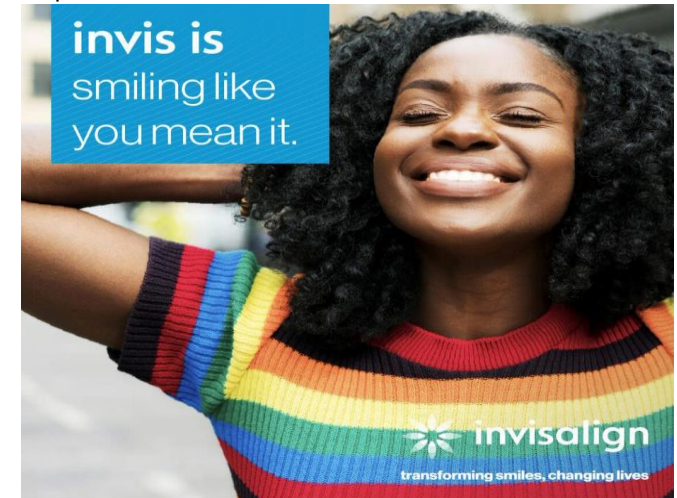

Patient Confidentiality: We take patient confidentiality extremely seriously and all personal information is treated in the strictest confidence. We have a strict confidentiality policy which can be viewed on our website or a print out can be made available to you.

Zero Tolerance: Whilst our patients have the right to question, comment or complain about the treatment or service they receive at Bay House we will not tolerate any verbal or physical abuse to any of the team at Bay House. Any such behaviour would result in treatment and services being withdrawn with a refusal to be seen at the practice. Further legal action may also be pursued.

Cancellations / Missed Appointments Policy: The practice would be grateful for 24 hours notice if you need to cancel an appointment. We do understand that on some occasions, late cancellations are unavoidable.

There may be a charge if you do not give us sufficient notice or miss your appointment (private patients only). If we need to cancel your appointment we will give you as much notice as possible.

Treatments available:

All aspects of routine dentistry: Examination, hygienist services, direct fillings in tooth colour materials, denture work, extraction and emergency services.

Cerec Restorations represent an innovative way of making tooth coloured porcelain crowns, fillings or veneers in a single visit.

Orthodontics: is the treatment involved in straightening teeth using fixed or removable braces or clear aligners. Our dentists are very experienced in providing orthodontic treatment for both adults and children.
